Company Profile

The customer is one of the pioneers in the ceiling fan industry with a presence in more than 30 countries and is the leading brand in India with a wide product portfolio and greater market presence.

Company Expectation

Due to increased demand in the ceiling fan industry in the country, the customer decided to increase capacity by investing in new equipment. Coating quality and color change time are the key requests. The customer wanted higher output with consistent finish of the product.

Keys to Success

With the Gema MagicCompact EquiFlow BA04 booth system with OptiGun automatic guns and Magic Control 4.0 control unit, the color change is much easier and faster which leads to increased productivity. Customer achieves fully automatic coating with cleaner environment and excellent surface finish.
